

*This is an initiative of*  
**SEDOS** – Service of Documentation and study on Global Mission-

*SoulCollage®: Discover your Wisdom,  
Change your World*

*Welcome to a unique experience of Soul  
Tending. Leave the linear world  
behind and shift into the realm of  
imagination, intuition and insight using  
the poetry of images and the  
SoulCollage® process to explore the  
mysteries of who you are and how God  
is calling forth growth in you. Using  
SoulCollage® you combine dreams,  
imagination, personal symbols and  
intuition to create a powerful collages*

*that carry meaning for your life. Simply put, it is Soul Tending . . .*

*SoulCollage® taps into the transformative power of imagination and intuition.  
The Soul gravitates to powerful images that have meaning for you. You may not  
know why. But in mysterious ways, the meaning of each collage emerges through  
the very act of creating it and using it. It is one way to notice the action of the  
Holy Spirit in your life.*

*SoulCollage® is a powerful prayer and retreat companion. It opens up new  
channels for God to reveal Godself in us.*
